A TWO-DAY NATIONAL CONFERENCE

On

***Performance Evaluation of
Big Data (PEBD-2019)***

2nd – 3rd March, 2019

Organized By:

**Department of Computer Science
Engineering
& Information Technology**

Jaypee University Anoopshahr, India
(Established Under UP Act No. 8 of 2014)

About Jaypee University, Anoopshahr

Jaypee University at Anoopshahr is an interdisciplinary university set up in about 56 Acres of lush green environment, located in the hinterland of Uttar Pradesh in serene and pious environment on the banks of holy river Ganges. Another name for Anoopshahr is “Choti Kashi” as the place is surrounded by ancient places of worship in Hinduism. On the banks of holy river Ganges a very beautiful ghaat named as Baba Mastram Ghaat has been developed by Jaypee Group. The town has a number of Inter Colleges, a Degree College and now the Jaypee University. Anoopshahr is very well connected from all important places of Uttar Pradesh and Delhi.

Jaypee University is a premier institution with on campus state of the art facilities, which provide unique opportunities to students in nurturing skills and aptitude in the field of engineering & technology with all-round personality development. The well-established laboratories and a library with e-learning resources provide a conducive academic environment. Jaypee University is well equipped with advanced facilities like Wi-Fi and internet connectivity. The campus has round the clock electricity back up which is unparalleled in any other educational institution in U.P. The seam-free campus is equipped with all necessary and present state of the art amenities and facilities. A 100-bed hospital, CBSE affiliated secondary school, a Sanskrit Inter School, and area’s biggest beautiful temple (Har Har Mahadev Mandir) are some unique and valuable additions in making this campus astonishing.

Department of CSE & IT

The Department of Computer Science & Engineering and Information Technology is a lively and invigorating academic center for higher education, research, and innovation in key areas of computing. The vision of the department is to be a center of excellence that provides high quality education to develop future leaders in all aspects of computing including education and entrepreneurship, contributes practically relevant and innovative research, and catalyzes IT entrepreneurship.

Chairperson

Hon’able Shri Jai Prakash Gaur Ji
(*Founder Chairman*)

Vice Chairperson

Hon’able Shri Manoj Gaur Ji
(*Chancellor*)

Chief Patron

Prof. S. C. Saxena
(*Pro-Chancellor*)

Patron

Prof. Rajiv Saxena
(*Vice Chancellor*)

Convener

Prof. M. Qasim Rafiq
Head, Department of Computer Science Engineering & IT

Organizing Secretaries

Dr. Nirmal Kumar Gupta
Dr. Nishant Shrivastava
Mr. Gaurav Raj

About the Conference

The 1st **National Conference on Performance Evaluation of Big Data (PEBD-2019)** will be organized at Jaypee University Anoopshahr, Uttar Pradesh, India. It will serve as a national forum for researchers and practitioners interested in recent advances in the various areas of computer science. It will provide an opportunity to present and exchange advanced scientific and technological information in hardware, software and theoretical foundation in those areas.

PEBD 2019 is organised with the intent:

- To provide a national academic platform for scholars to exchange ideas and latest research results in the field of computer science applications.
- To foster long-term relationships among and with researchers and leading organizations.
- To connect talented delegates from all over the country with leaders in academia, industry and government.

Call for Papers

Original papers are invited from research scholars, academicians, students and Industrialists. The topics of the Conference would include but not limited to:

- Cloud Computing
- Pervasive Computing
- Mobile Computing
- High Performance Computing
- Big Data & Applications
- Database and Data Mining
- Information and Security
- Web Technologies
- Parallelizing Compilers
- Neural Network
- Parallel Algorithms
- Multimedia Systems
- Multicore Architecture
- Computer Networks and Iot
- Web Crawling
- Image Processing and Computer Vision
- AI and Machine Learning
- Remote Sensing
- VLSI
- 3D Printing
- Chemometrics

Submissions: Submissions must be of original contributions and should not have been presented or published anywhere. Authors of the accepted papers must ensure that at least one of the authors will attend the conference and present the paper. Paper should not exceed 6 pages following the IEEE format. Papers can be submitted in ms-word format to our e-mail address pebd2019@gmail.com. Accepted papers will be included in the conference proceedings.

Important Dates:

Abstract submission last date: 10 January 2019
Full paper submission last date: 20 January 2019
Paper acceptance notification: 31 January 2019
Registration last date: 15 February 2019
Camera-ready copy last date: 20 February 2019

Selected papers will be published in UGC approved journal.
