

**FORMAT AND PATTERN OF QUESTION PAPER FOR LATERAL ENTRY**  
**ENTRANCE EXAMINATION 2017**

1. The question paper for the entrance test will be for a duration of 2 Hrs.
2. The maximum marks will be 100.
3. All the questions will be of objective type with four alternatives each.
4. There will be a total of 50 questions of two marks each.
5. While the correct answers will be awarded 2 marks for a question, the wrong answers will fetch minus one mark for every question. (Thus there would be negative marking)
6. If the question is not attempted, ZERO mark will be awarded.
7. There shall be a different question paper for every branch / specialization. Therefore, student must carefully go through the syllabus of that branch/program.
8. The examination shall be upto the standard of B.Tech 1<sup>st</sup> year.
